## Description

Contractual/consultant costs are the expenses associated with purchasing goods and/or procuring services performed by an individual or organization other than the applicant in the form of a procurement relationship.
May be allowable for rental costs of general purpose equipment. Vehicles may be leased, but not purchased. The lease or rental agreement must terminate at the end of the grant cycle.

Office space associated with the personnel identified in grant program, both direct and indirect.
Allowable for website development, mobile apps, etc., which are not considered to be information technology systems, if it is necessary to carry out the proposal.
Pay the costs of preparing information leaflets, reports, manuals, and publications relating to the project; however, the printing of hard copies is discouraged given the prevalence of electronic/virtual publication means.
All tangible personal property, other than those described as Equipment (less than $\$ 5,000$ ), regardless of the length of its useful life.

When the training is required to meet the objectives of the project or program.
